

Effectiveness of Carbon Pricing Policies in Reducing Greenhouse Gas Emissions

MADE Project 2024

Total Emissions of the top-ten emitting Jurisdictions with carbon price

Average Carbon Price of the top-ten emitting Jurisdictions with carbon price

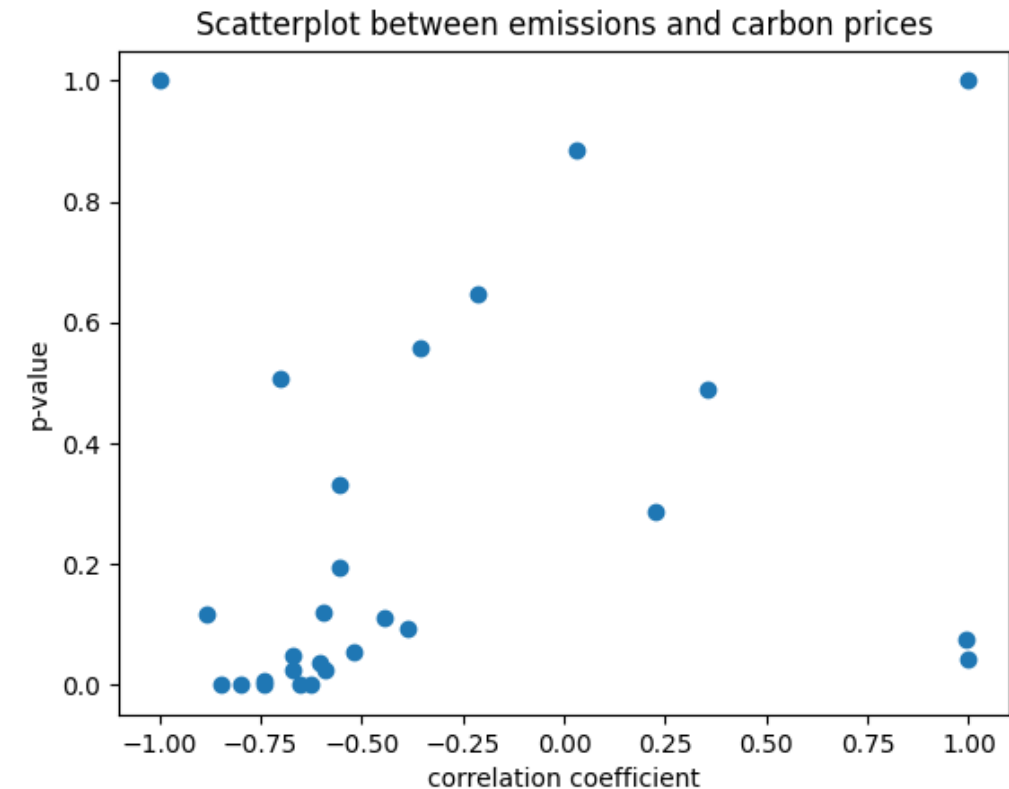

World Bank's Carbon Pricing Dashboard

- The carbon pricing data
 - information on carbon pricing initiatives
 - the country implementing the policy
 - price per tonne of CO2
 - statistical information about the country
- Data within the years 1990-2024
- Creative Commons Attribution 4.0 International Licence

Emissions Database for Global Atmospheric Research

- The emission data
 - greenhouse gas emissions (CO2, CH4, N2O, F-gases)
 - emitting country
- Data within years 1970-2022.
- Creative Commons Attribution 4.0 International Licence
